

The Hickman Courier.

GEORGE WARREN, Publisher.

HICKMAN, KY. FRIDAY, DECEMBER 1, 1905.

TOPICS OF THE DAY.

As before and as Chairman are partners in the stationary business in a New York town.

JAY GOLD has announced his intention of retiring from Wall street and the world of speculation.

A New case is springing up in Canada where devotion to this world, but no souls, because the Bible nowhere mentions women angels. The leader is a Frenchman.

The British Government has offered Prof. Huxley a pension of £2000 a year as a practical recognition of his services, on his retirement from the Presidency of the Royal Society.

This war of the English on Barnum was short, sharp and snappy. The Englishman has been defeated, but he has not been conquered unconditionally, and this conquest will be to the British Empire for ever.

The Government of Bavaria has sent commissioners to the United States to examine forest trees, with a view of procuring seeds to plant. Great care is taken of the native forest trees, and many new ones are being set out.

Recent legislation in New Hampshire has caused the withdrawal of foreign insurance companies, leaving only three such companies with a combined capital of \$7,000,000, and ten mutual companies to carry on the business of the State.

"Oh, the wealth of this world," says a Frenchman, "is a hundred times as great as the wealth of the world, as it is owned by four men, Rothschild, \$250,000,000; Rockefeller, \$250,000,000; Vanderbilt, \$125,000,000; and the Duke of Westminster, \$85,000,000. Their income per minute is \$20, \$26, \$21 and \$27 respectively."

The poultry product of the United States for 1904 was computed by Mr. J. R. Dodge, the statistician of the Agriculture Department, at \$440,000,000. It is about three times the value of all our wool four times the value of all our live stock, and double the value of all our pig products.

Don Carlos and his friends are coming again to run the Government of Spain, and they are likely to make a good deal of trouble. Don Carlos, the Regent Queen, Juan Antonio, a foreigner, haughty, impetuous, and not popular. Don Carlos has no strong supporters in the army.

The New Orleans Exposition is gradually getting into shape, and visitors are increasing daily. The cold weather of the North will drive many people South for the winter, and the last of December New Orleans will be full of winter visitors, and the Exposition will be in full swing.

The death of the Vice-President will make almost certain the passage during the coming session of Congress of some measure regarding the tariff, tariff reduction, in case of the death or disability of both the President and Vice-President, to take effect in the event of the death of both.

The fate of the Chicago doctor who maimed his family for life, and himself became insane, is being discussed. It is thought to be a case of a man who was a good deal of trouble, and who was a good deal of trouble, and who was a good deal of trouble.

There are charcoal works at Grand Rapids, Mich., which consume \$9,000 worth of wood yearly, and at which even the made-up wood is sold. It is a case of a man who was a good deal of trouble, and who was a good deal of trouble, and who was a good deal of trouble.

It is asserted that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

QUEEN MARGHERITA of Spain is only five years old and the Queen's mother is Regent. It is now said that there is a possibility of a divorce between the new king and the queen, and the queen is a good deal of trouble.

BUNTO M. M. TUNER, of the African Methodist Episcopal Church, has recently been elected Moderator of the National Convention of the church in New York City.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

It is said that the number of sheep is diminishing in Europe. This is attributed to more land being brought into arable cultivation, and to the loss of the sheep and the loss of the sheep.

RETURNED TO EARTH.

Interment of All that Pertained to the Mortality of THOS. A. Hendricks.
